

# GRAN CAMPELLAS

## BORSAO

**Variety:**

Garnacha, Cabernet Sauvignon and  
Tempranillo.

**Characteristics of the vineyard:**

Vineyard with an age of 15 to 30 years on  
chalky, slimy and limestone soils, from 400-  
600 meters above sea level.

**Elaboration:**

Fermentation in inox tanks at temperature  
control of between 25° C and 30° C to  
preserve all the aromas from the Garnacha.  
Each variety is vinified separately and blended  
before bottling. Grown up 8 months in oak  
barrels an followed by a maturation in bottle  
during 14 months, what shows in this crianza  
the special characteristics of these varieties.

**Tasting notes:**

Aromas of vanilla with intense fruity tones  
and soft tannins coming from the wood. It has  
a long and pleasant very harmonic aftertaste  
perfectly structured and fleshy.

**Drinking temperature:**

16° C.
